

# FROM STORYBOARD TO SCREEN

**JOIN  
NOW**

This new micro-credential is designed to empower amateur learners by enhancing their skills in digital media production. Our "Storyboard to Screen" modules will provide the necessary exposure and learning to create meaningful content.

## Program Overview

Learners will not only gain theoretical knowledge but also practical skills in cinematography. They will learn the various techniques applied and the principles of cinematography to effectively convey a story. Through the hands-on module, learners will develop the confidence to create compelling scripts that will be brought to life. Participants in the programme will master the art of storytelling through a lens and acquire the necessary skills to create captivating videos.
